2x2 Dies

Princess Hat (KS-0869) Add some magic to your next project with the Princess Hat die! This 2x2 SingleKutz die is the perfect fit for a dress-up layout, a princess birthday party invitation, scrapping photos from Disney World or any other little girl project. Try it without the ribbon and you have a great party hat, dunce or wizard cap.

Purse (KS-0870) Create an adorable hand bag with our SingleKutz purse die cut! This fashionable die is outfitted with heart and bead detail that will look darling on a dress-up project for little girls, or try mixing and matching your favorite colors to add a touch of style to the next fashion or shopping layout with photos of friends or your favorite mall-loving teenager.

Tractor (KS-0871) Make way for the Tractor Die! Equipped with a removable and adjustable scooping shovel, this die is ready for any project in its way whether it's for a little boy project or big home construction layouts. A coordinating tractor shape is also available on a 4x4 die.

Cement Mixer (KS-0872) Stir things up on your next project with the Cement Mixer! Use it in combination with the tractor die (KS-0871) for a little boy or construction project, or try replacing the mixer with a rectangle and you have a great delivery or semi truck! A coordinating cement mixer shape is also available on a 4x4 die.

4x4 Dies

Castle (REV-0113-S) Live happily ever after with this QuicKutz castle die! Use it together with the crown and wand (REV-0114) or princess hat (KS-0869) dies to create an adorable birthday card, party invitation, or Disney project. Cut it in beige paper to use it as a sand castle for a beach layout.

Crown and Wand (REV-0114-S) This 4x4 die is fit for a Queen, as well as any regal project you create! These shapes are the perfect touch to a party invitation, fairy tale card, or a dress-up/ Halloween costume layout.

Airplane (REV-0109-S) Soar to new heights with this 4x4 airplane die! Whether you use it for traveling or as an embellishment for little boy projects, it's sure to get your creativity in flight. Or try thinking outside the box by using the body of the airplane as a mummy's tomb!

Train (REV-0110-S) Get back on track for your next creative project with the new 4x4 Train die. This locomotive shape will get any birthday card, little boy project, or party invitation in motion!

Cement Mixer (REV-0111-S) Stir things up on your next project with the Cement Mixer! Use it together with the tractor die (KS-0871) for a little boy layout or construction project. Try replacing the mixer with a rectangle and you have a great delivery or even semi truck! A coordinating cement mixer shape is also available on a 2x2 die.

Tractor (REV-0112-S) Make way for the Tractor Die! Equipped with a removable and adjustable scooping shovel, this die is ready for any project in its way. Use it to embellish little boy projects or big home construction layouts. A coordinating tractor shape is also available on a 2x2 die.
